Warranty Information

Your derricksmash cornhole bags are protected by a **full one-year warranty**. Cornhole bags experiencing a **rupture or tear** will be replaced at no cost within this time period. **Only broken or ruptured bags will be replaced under your derricksmash one-year warranty.**

Standard Cornhole Bags

General “wear and tear” of the cornhole bags is not covered by your one-year warranty. This includes dirt, discoloration and degradation of cornfeed. Additionally, bags that have become moldy are **ineligible** for warranty replacement. See enclosed paperwork for details on proper care and storage. If a cornhole bag(s) lacks mold on the inside and out, but is leaking due to a **rupture or tear** anywhere in the fabric, it is eligible for warranty replacement.

Weatherproof Cornhole Bags

General “wear and tear” of the cornhole bags is not covered by your one-year warranty. This includes dirt and discoloration. Weatherproof cornhole bags are filled with plastics pellets that are highly resistant to moisture retention, however the fabric of the bags themselves is cotton-based and may mold due to prolonged exposure to moisture. See enclosed paperwork for details on proper care and storage. Only **broken or ruptured bags** will be replaced under warranty. If a cornhole bag(s) lacks mold on the outside, but is leaking due to a **rupture or tear** anywhere in the fabric, it is eligible for warranty replacement.

If you have cornhole bags that have broken or ruptured and it is within one year of purchase, we will be happy to assist you with a warranty claim.
